**Hello, again, Fellow Moose Members!**

**Can't believe we are starting another year. The time, seriously, goes by so fast. I'm hoping for something a bit more light hearted. More family time would be nice. That's always nice. I'm pretty lucky, though. Makes me thankful.**

**Activities Chair Renee has a meeting scheduled for 6 PM, January 4. These meetings led to ideas for the kid's Christmas party, which was festive and had delicious food. In addition, we started a canned food drive in late November, and it concluded at the adult Christmas party. We traded a raffle ticket for each food item. The winner received a one year's paid Moscow Moose dues. You had to be present to win, and Tej Prakash won. All of these ideas were developed at activities meetings.**

**Our Lodge's anniversary is January 24. We will have a celebration on Friday, January 26. You must register and pay for in advance. We're having an adult paint by numbers night. There will be wine and meatballs. The price is \$25. We have a limited number of paint kits, so you must register beforehand. And yes, this idea came from an Activities meeting.**

**Who wants to be a Lodge officer or committee chairperson? Ask any of the present officers what this entails. We have our first Moose 101 of the year scheduled for January 17 at 6PM. VP Joe Fairbanks will be there. Ask any Moose related questions. He will do his best to find you an answer. If you have any suggestions, this is a good place for discussion.**

**Dart leagues will be starting up again, soon! If anyone would like to make meals, this is a great fund-raising tool. I'm sure any of the officers would be glad to hear your ideas and show you around the kitchen.**

**This month's Heart of the Community Social Quarter Fundraiser is Alternatives to Violence on the Palouse. Learn more on the ATVP website. We are doing a project called 10,000 Hearts, geared toward our service people and Valentine's Day. You will find a box of cards to sign in the SQ. Bartenders can help you with either of these projects.**

**Remember: our Lodge General Membership meetings are the second and fourth Mondays of every month.**

**Moose. Proud Past, Bright Future. See you at the Lodge!**

**Hello, fellow Moose:**

**Happy New Year. 2024? How can that be? I remember being in middle school and imagining what the world would look like in 2000. Spaceships. Robots. A full dinners in a pill. 24 years later, still no spaceships.**

**The Moose looks different too. Some things are better, like our Social Quarters, dartboards, and disability ramp. But some things could be better. It's difficult to keep resolutions, so how about just one? Every year mine is to be a better person than the previous year. This involves focusing on the positive, tightening my purse strings, gossiping less, and practicing kindness.**

**Is it just me, or could this one be good for our Moose? We need to boost membership numbers AND retention. How might we fulfill these goals? Doing our best to create a positive, fiscally responsible, friendly organization and Social Quarters.**

**Our Lodge is a beautiful and historical building, with a fabulous industrial kitchen and great event spaces. To manage daily upkeep, like working sinks, clean bathrooms, and a nice bar, I invite everyone to treat the Lodge like your own home, like the actual home you live in.**

**We are all volunteers, of course, and it is our blood, sweat and tears, and donations, that keep our Lodge beautiful. Let's keep it up!**

**Thank you, everyone, for all of your hard work and dedication. I love this community. Here's to a lovely 2024.**

**Best wishes, Cindy Hollenbeck  
Senior Regent**
